CURTAINS & LIGHT UPHOLSTERY

BRABANT MERCURY

Our answer to modern linen. This tightly woven linen fabric is meant to feel at home in more contemporary environments. Specifically made for drapery and shading, this textile also works for light upholstery and cushions, slipcovers and bedding. Easy to cut and sew, Brabant is a real joy to work with. The palette is decidedly contemporary and designed to work within todays westcoast contemporary homes.

CARE & CLEANING

Dry clean highly recommended. Brabant is a reactive dyed linen and will release dye if washed repeatedly. This will give it a stonewashed appearance and lighten the colors and create scarification throughout. The darker the colors the more this effect will be noticeable. This and all fabrics can be wiped with a wet cloth, brushed lightly or even vacuumed. Upholstered furnishings and curtains should be vacuumed periodically.
