CURTAINS & LIGHT UPHOLSTERY

MEUSE CARNATION

Meuse is a very versatile drapery weight fabric perfect for all manner of window coverings and light upholstery, slipcovers and toss cushions. A wide range of colors make this one of our most comprehensive collections. Meuse is prelaundered and reversible offering a brushed face on one side of the fabric and a flatter more lustrous face on the reverse. This versatility offers great potential for subtle seaming and panelling details and the ability to choose one or the other depending on what you or your client prefers. Darker fabrics exhibit more contrast between the two faces.
