CARE & CLEANING

Heavy wash, dryer ok! Hobocloth is a stonewashed fabric, and as such has already been mill laundered. One of the easiest fabrics in our collection to look after, a simple wash and dry and you are good to go. As with all linens it is best to use less soap and an extra rinse. Hot dryer is fine, but do expect shrinkage of upto 5% depending on the dryer. Do treat the fabric before washing as you would after it is made. One benefit of the hobocloth is how the wool and linen felt together over time creating an even softer and cuddlier fabric. Enjoy it!
