SHEERS & FILTER CLOTHS

LINEN SHEER CEMENT

Linen Sheer is our most popular Linen sheer, fine yet robust.

FABRIC DETAILS

Cement derives its name from its chameleon like color, warm and masculine, a medium gray that plays well with warm woods and a natural palette. Please note that this sheer is 112" wide.

CARE & CLEANING

Linen Sheer is pre laundered, and is indeed washable. However due to the nature of the fabric and the scale of curtains it is always recommended to either prewash prior to fabrication or have them drycleaned after. Linen will shrink upto 3% during washing. Steam cleaning with water and regular vacuuming will keep linen fresh and free of dust. Do not Bleach. For best results Ironing with a warm to hot iron with steam is best. Linen Sheer can be steamed liberally.
