UPHOLSTERY & HEAVY WEIGHT

MOTTLED HEAVY OLD DENIM

Mottled Heavy is a screen dyed and stonewashed linen available in several fantastic colors. This fabric has an inherent heathered surface thanks to the challenging and unique method used to dye the fabric, first heavy amounts of dye are applied to the surface of the textile, squeegeed off and allowed to dry before being stonewashed. Patination of this textile enhances the dimensionality and softens the hand.

Enjoy this lovely heavy textile as upholstery, slipcovers, cushions or other accesories.
